

ICVES 2018

IEEE International Conference on
Vehicular Electronics and Safety

Madrid, Spain
September 12-14, 2018

Committees

General Chair

Fernando García,
*Universidad Carlos III de
Madrid*

General Co-Chair & Financial Chair

Ahmed Hussein,
*Universidad Carlos III de
Madrid*

Program Chair

David Vázquez,
*CVC Universidad Autónoma
de Barcelona*

Organization Chair

José María Armingol,
*Universidad Carlos III de
Madrid*

Tutorials/Workshops Chair

Arturo de la Escalera,
*Universidad Carlos III de
Madrid*

Publication Chair

David Martín,
*Universidad Carlos III de
Madrid*

Publication Co-Chair

Ignacio Parra,
*Universidad de Alcalá de
Henares*

Registration Chair

Omar Shehata,
Ain Shams University

Demonstration Chair

Felipe Jiménez,
*Universidad Politécnica de
Madrid*

Demonstration Co-Chair

Jose Eugenio Naranjo,
*Universidad Politécnica de
Madrid*

Social Media Chair

Jorge Beltrán,
*Universidad Carlos III de
Madrid*

Scope

The 20th IEEE International Conference on Vehicular Electronics and Safety (ICVES'2018) is an annual forum sponsored by the IEEE Intelligent Transportation Systems Society (ITSS). It is the premier interdisciplinary platform for the presentation of new advances and research results in the fields of intelligent vehicular electronics and safety. It brings together leading academic scientists, researchers and scholars in the domain of interest from around the world.

Topics

Authors are invited to submit papers that fall into the area of vehicular electronics and safety. Topics of interest include, but are not limited to, the following:

- Active & Passive Safety Systems
- Telematics
- Vehicular Power Networks
- X-By Wire Technology
- System-On-a-Chip
- Vehicular Sensor
- On-Vehicle Sensor Networks
- Embedded Operating Systems
- Electro Magnetic Compatibility
- Inter-Vehicular Communication
- Vehicle Testing
- Navigation & Localization Systems
- Vehicular Measurement Technology
- Vehicular Signal Processing
- Micro-electromechanical Systems
- Image Sensor
- Vehicle/Engine Control
- Driver Assistance Systems
- Adaptive Cruise Control Systems
- Pattern Recognition for Vehicles

Paper Submission

Prospective authors are required to submit their manuscripts electrically through EDAS. Submitted papers shall not exceed six pages as a PDF file in IEEE two column format. Please use the templates at Manuscript Templates for Conference Proceedings available from the conference website to prepare your paper. All presented papers will be published by the IEEE and the conference proceedings will be submitted to the IEEE Xplore® digital library.

Important Dates

Submission Deadline

20th of May 2018

Notification Deadline

30th of June 2018

Camera-ready Deadline

23rd of July 2018
